

Club Invention®

# WHERE BIG IDEAS BECOME THE NEXT BIG THING®

Club Invention inspires children to be confident in their natural ability to dream and build, and has the great honor of being able to have a lasting impact on the lives of children every day.

**For children in 5th through 6th grades.**

Learn more and secure your spot at [invent.org/club](http://invent.org/club)

Led by experienced local educators.

### Castles, Catapults, and Coats of Arms™ module:

The Club Invention Afterschool program travels back to the Middle Ages to recreate an environment that was familiar during those times. Applying the lifestyle and science concepts that were known to people of that time, children create jewelry and coats of arms, explore the concept of buoyancy as they build boats that float, construct tall towers and drawbridges and fabricate catapults to storm castle walls!

Registration Fee: **\$59**

**ONLINE REGISTRATION NOW AVAILABLE FOR CLUB INVENTION!**  
Sign up today at [INVENT.ORG/CLUB](http://INVENT.ORG/CLUB)
